[8] Plot In the universe, there is a planet called Pari Lok (Fairy Realm), where all the good fairies reside. Each of them has a different ability and each fairy is named after her special powers. The mother and leader of the fairies is the Queen Fairy - Rani Pari, who is the head of the power of righteousness in the whole multiverse. Below her, is a cabinet of important fairies (Pari Sabha) who maintain various departments of Pari Lok. On the other side, there is an evil fairy, Bhayankar Pari and her sidekick- Tauba-Tauba. They always plot to create terror on Earth, due to which Rani Pari assigns different fairies at particular locations on Earth. The year is 2012 AD, two fairies visit Rani Pari and inform her about the strange behaviour of children of Earth, who seemed to have been influenced by an evil power. Rani Pari assigns different fairies at particular locations on Earth, who seemed to have been influenced by an evil power. Rani Pari assigns different fairies at particular locations on Earth, who seemed to have been influenced by an evil power. Rani Pari assigns different fairies at particular locations on Earth, who seemed to have been influenced by an evil power. the same day, in night-time, all the fairies gather at the entrance of Rani Mahal (Royal Palace) due to the scary behaviour of Earth's children. The Pari Lok is in a state of alarm due to havoc on the Earth. Rani Pari manages to placate them, but at the same time, Bhayankar Pari enters and creates an environment of terror in Pari Lok. She challenges Rani Pari that she will surely destroy Earth and spread evil, while Rani Pari will not be able to do anything. She tells her that she is the one who has hypnotized children, due to which they are behaving strangely. She says she will soon find the child and challenges Ranipari to save her beloved child if she can. Many years ago, it was the time for Maa Pari (mother of the fairies) to pass her throne to another fairy. All the fairies thought that she would choose Bhali Pari as her successor as she had saved Pari Lok. She was too selfish as she only wanted to rule and not to serve. Considering this, Maa Pari declared Bahuroopi Pari (Multiform Fairy), as the Rani Pari (Queen Fairy), as the Rani Pari, burning in the fire of anger and jealousy, she destroys her existence and her spirit transforms into Bhayankar Pari, the empress of evil powers. She vows to avenge the betrayal that she had beared. When Baalveer was born, Bhayankar Pari tries to capture the child but Rani Pari comes at the right moment and saves him. Rani Pari gets unconscious due to Bhayankar Pari furious. A fairy takes him to Parilok, but some fairies are not satisfied with that so everyone went to Rani palace to see Rani pari. Rani pari, the Queen of Parilok, the mother of Baalveer, fairies and the residents of the Fairy realm. She is the cold everyone that thereafter he will reside in Parilok. Some fairies are not satisfied with her decision but they can't disobey Rani Pari's words. She also named him "Baalveer" and from the fairies. Ranipari decides that Baalveer is the only one who can defeat Bhayankar Pari and make an end to her terror. Rani Pari announces that Baalveer will be awarded the power of seven fairies. Some fairies disagree with this and criticize Rani Pari's decision. But, Ranipari has full faith on her son Baalveer is blessed with the power of Saptapari (Cabinet of Seven prominent fairies of Pari Lok) which consists of :- Natkhat Pari (Mischievous Fairy) Bhatkaati Pari (Diverting Fairy) Atkaati Pari (Obstacle Fairy) Baal Pari (Tress Fairy) Vijhdar Pari (Electric Fairy) Rani Pari (Electric (Kasturi), his wife (Smita), his children Manay and Meher, and his younger brother (Rocky). Bhayankar Pari plots various times in order to kill Baalveer and fairies, but failed. Later, she turned Rani Pari into stone and attained the kingdom of Pari Lok by deceiving Baalveer. However, the fairies under the guidance of Baalveer, get Pari Tara and Raj-Dand (Supreme powers of Pari Lok) back from Bhayankar and capture her in prison. While, capturing her, they accidentally release Bhawandar Pari (Tycoon Fairy). She secretly prevents them from curing Rani Pari. Finally, when the fairies cure Rani Pari and she turns to her original form. Everyone was so happy to see their mother back. Bhawandar Pari and the weapon used by Rani Pari attacks Bhawandar Pari with no delay, but Bhayankar Pari uses various methods to spread evil but fails. She also summons Nukeeli and Kateeli Pari, but even that doesn't work. Then finally, she resurrects her best friend- Chall Pari shoots an arrow at Baalveer and herself sticks to Rani Pari's wand which disables it. Rani Pari sees the arrow moving towards Baalveer, but unable to use her beloved son Baalveer and the arrow strikes her. She sacrifices herself to save her beloved son Baalveer and the arrow moving towards Baalveer and says that she loves him very much and always be there with him forever. The fairies and Baalveer make an end to Chall Pari, but Bhayankar manages to survive. Soon, Naaraz-Taaraz Pari realise their mistakes and admit their true identity in front of Baal Pari and other fairies. They forgive them and Naaraz-Taaraz tell them the way to kill Bhayankar. In the same manner, the fairies and Baalveer manage to kill Bhayankar Pari Soon, the natural resources of Pari Lok through a special seashell of Pavan Nadi (Holy River). A new Rani Pari originates from the Pavan Nadi and is welcomed with great pomp and show. She raises a necessity of another hero who could help Baalveer. The fairies finally find another hero and name him Jaiveer and Jaiveer and Baalveer and Jaiveer and Baalveer and Jaiveer and Baalveer and Baalveer is declared to be dead. Pari Lok mourns the loss of Baalveer. The fairies as per the order of new Rani Pari, donate their powers to Jaiveer and immediately, the environment of Pari Lok turns strange. The wands of fairies and their powers are absorbed by Rani Pari and she is revealed to be none other than Bhayankar Pari herself. Jaiveer was also formed by her. The fairies get shocked on seeing her alive. She reveals that as she sensed that the fairies were planning to kill her, she had already arranged for a new body, that her spirit entered after her death. Then she sealed the shell from which Rani Pari was going to originate and herself, disguised as Rani Pari. She then captivates the fairies as her maids and Jaiveer starts spreading evil on Earth. The shining Royal blue shades of Pari Lok blacken out and black fumes get all over. By tricking Bhayankar, Natkhat Pari and Naaraz Pari obtain their and other fairies' magical wands and powers. As they go to open the magical shell, Bhayankar again manges to capture them, but Natkhat Pari accidentally slips into Sandhi Nadi, the same river in which Baalveer had fallen. Ironically, Natkhat finds herself on a seashore of Mumbai. She realises that the river in which she had slipped into, was Sandhi Nadi and magically connects Pari Lok to another planets. Thus, she infers that in this way, Baalveer would also be alive. She manages to find Baalveer and makes him remember his memories. Both of them unlock the real new Rani Pari and she regains the powers of Pari Lok from Bhayankar Pari and Baalveer kill Jaiveer and she is welcomed in Pari Lok with great pomp and show. Pari Lok is cured from the effect of Bhayankar Pari and it again starts shinning in its shades. Rani Pari fortakes the throne of Pari Lok and guides and helps Baalveer in his misson. New Ranipari whose love is eternal. Whenever Baalveer had a confusion he first discusses it with Ranipari like previous Ranipari whom he loves very much. Bhayankar Pari again uses various methods to destroy Pari Lok and even resurrects Mahabhasma Pari but failed. Bhayankar kills Natkhat Pari, when the later was in the disguise of Baalveer. Bhayankar Pari again summons Nukeeli-Kateeli Pari, when the later was in the disguise of Baalveer. Bhayankar Pari again summons Nukeeli-Kateeli Pari, when the later was in the disguise of Baalveer. Bhayankar Pari again summons Nukeeli-Kateeli Pari, but to her disappointment all failed to defeat Baalveer. Many other villains get resurrected, like Kaakli Dayan, Hubahu, Exam Ghost etc. time to time, but Baalveer manages to defeat them as well. Then Bhayankar Pari escapes from the prison. Rani Pari gives Baalveer an extraordinary weapon and he kills Bhayankar pari escapes from the prison.
